Dixon, IL – The Illinois Department of Transportation announces today that construction work on Garden Plain Road west of Morrison will begin on Monday, June 15, 2015. Garden Plain Road will be closed approximately three miles west of Morrison for the removal and replacement of two culverts between Millard Road and Hillside Road.

The two culverts will be completed one at a time so that homes between the two structures will always have access. Civil Constructors is the contractor for the \$677,356 project that is expected to be completed in September.

Please slow down and use extreme caution while driving through all work zones.
